- No other snacks required

Sayers Croft

## Young Persons Kit List

Sayers Croft will supply you with bedding, safety and educational equipment for your specific activities. Below is a general list of the kind of stuff you will need to think about bringing. Make sure you have your name on all things that belong to you and you can carry your bag as you will need to carry it to your chalet:

- Lots of old clothes - you will definitely end up getting a bit mucky so don't bring anything too precious.
- Wash kit - including a towel, soap, toothbrush and toothpaste and brush/comb
- At least two pairs of old trainers / boots (plus an additional pair if you are raft building)
- Wellies (but don't buy them especially as we can lend you some if you need them)
- Waterproofs (we can lend you these if needed) - and just because it's summer doesn't mean it won't rain!
- Personal medication (including sunscreen if required)
- Indoor footwear
- Night clothes
- Hat (appropriate for the weather) and gloves
- Teddy bear / soft toy

The following things are extra stuff that you might need to consider bringing depending on what activities are included in your programme and the time of year you are visiting.

- Swimming costume (summer only)
- Torch
- Disco Clothes
- Pocket money
- Small rucksack
- Camera
- Drinks Bottle
- Reading book
- Hair bands (if you have long hair)

You will be wearing a helmet for lots of the activities, please make sure your hair will easily fit underneath.

# Behaviour Expectations

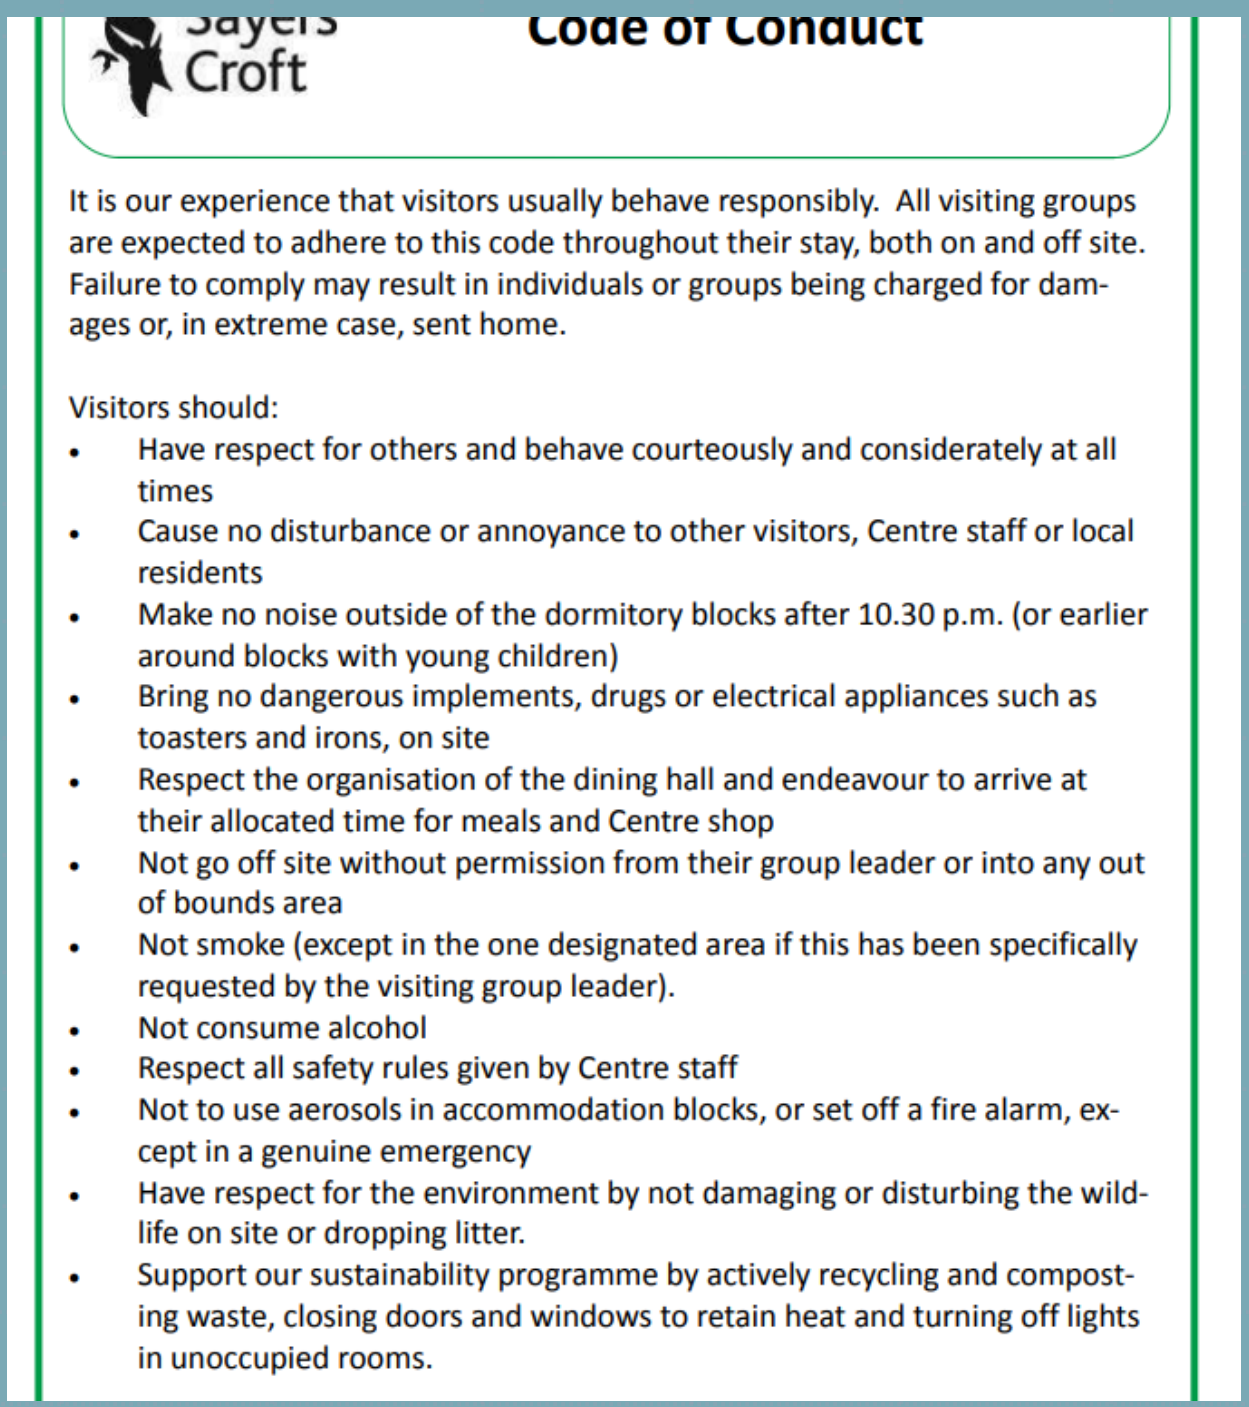
# Code of Conduct

- I will send a text via the school each evening with an update
- I will be contactable if required
- Print and sign



Sayers Croft

## Code of Conduct

It is our experience that visitors usually behave responsibly. All visiting groups are expected to adhere to this code throughout their stay, both on and off site. Failure to comply may result in individuals or groups being charged for damages or, in extreme case, sent home.

Visitors should:

- Have respect for others and behave courteously and considerately at all times
- Cause no disturbance or annoyance to other visitors, Centre staff or local residents
- Make no noise outside of the dormitory blocks after 10.30 p.m. (or earlier around blocks with young children)
- Bring no dangerous implements, drugs or electrical appliances such as toasters and irons, on site
- Respect the organisation of the dining hall and endeavour to arrive at their allocated time for meals and Centre shop
- Not go off site without permission from their group leader or into any out of bounds area
- Not smoke (except in the one designated area if this has been specifically requested by the visiting group leader).
- Not consume alcohol
- Respect all safety rules given by Centre staff
- Not to use aerosols in accommodation blocks, or set off a fire alarm, except in a genuine emergency
- Have respect for the environment by not damaging or disturbing the wildlife on site or dropping litter.
- Support our sustainability programme by actively recycling and composting waste, closing doors and windows to retain heat and turning off lights in unoccupied rooms.

# Final Balance Due

- Payable by School Comms – Please check to see final balance.
- Speak to the office if unsure how to pay
- Final payment due – End of June
