<tr><th>Topic</th><th>Science</th></tr>
<tr><td>
Go on a walk where you live. What can you see? Use the map key below. Can you spot any of these places? Take a picture when you do.

Can you make a simple map of your local park?

</td><td>
Go to your local park. What flowers can you see? Can you name them?

Can you look after a plant at home?
Make a set of instructions for what they need so that everyone in your house can help.
