Digital Learning Project

Name:

Download & play PANDEMIC

On a device, try playing the game Risk (it's free).

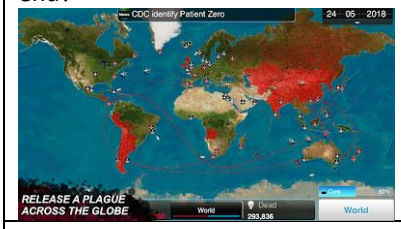

Using Google Earth and maps, can you find the countries who were involved in WW2?

On what continents are they located?

Where did it begin?

Which countries joined the war and when?

Using an image of a map, describe how the pandemic grew and developed. What happened in the end?

Program a game using Scratch

Can you use your coding skills to make a medicine-related game? Here is a link to help you out:

https://www.youtube.com/watch?v=7OBDwJyW5Vc

Go to Scratch here. You don't need a login, but make sure you SCREENSHOT your work or it'll be lost!

WW One Research

World War Two was not the first world war of the twentieth century. Research and answer these questions:

Try to explain:

-when and how it started?

-which countries were involved?

-the key events?

-the repercussions

Discussion group in Teams

Discussion group in Teams to talk about the vehicles used in World War Two. Get information from here:

https://www.historyforkids.net/world-war-2-tanks.html

And here:

https://www.ducksters.com/history/world_war_ii/technology_of_ww2.php

Autumn Term 1: World War II

Presentation challenge!

Use the link and your own research to create a PowerPoint about the role of animals during WW2.

Include things like:

-what animals were used

-what their roles were

-how they are commemorated now

Answer the question:

-was it fair to use animals in WW2?

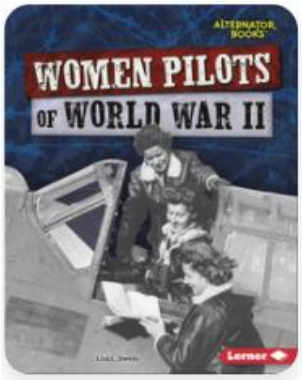

Top 7 animals in war over 100 years | How did animals help in wartime? - YouTube

Writing challenge

You and a friend are stuck in London when WW2 begins! Write a story about this.

Visit Get Epic for inspiration:
